About Us

Founded in 2010, New Oasis has become a leading supplier of high-quality, precision-engineered General Hardware Materials, Steel Materials, and Engineering Goods across Abu Dhabi, Dubai, and Sharjah. As a major importer of Hindalco India, a global leader in the aluminium industry, we pride ourselves on offering a diverse range of industrial metal products. Serving various sectors such as roofing, oil/gas, power, shipbuilding, fabrication, and engineering, we maintain extensive stock to meet the needs of our clients.

Our operations are systematically structured for efficiency, ensuring smooth service delivery. Our products are renowned for their corrosion resistance, high tensile strength, durability, easy installation, perfect finish, and dimensional accuracy. We offer a wide selection of grades, sizes, and specifications tailored to the needs of our valued clients.
